AMON ELPÍDIO

Ph.D. Candidate at UFMG → Visiting Doctoral Researcher at Université Paris Cité

appointments

Associate Researcher in European Law, Jean Monnet Centre of Excellence, Federal University of Minas Gerais, 2024–Present.

Associate Professor, School of Accounts, State Court of Auditors of Minas Gerais, 2026–Present.

Visiting Doctoral Researcher, Université Paris Cité, 2026-2027.

Visiting Researcher, Leuphana Universität Lüneburg, 2026.

education

Ph.D. Candidate, Law, Federal University of Minas Gerais, 2024–Present.
Thesis: *Energy Communities from the Ground Up: Southern Capabilities and the European Just Transition Framework.*

LL.M., European and International Law, Universität des Saarlandes, 2022.
Thesis: *An Environmental Tragedy: The dumping grounds for fast fashion clothes and its relation to sustainable development in the European Union.*

B.A. (Hons.), Public Policy and Management, Federal University of Ceará, 2019.

methodological expertise

Ethnographic & Field Research: Applied ethnographic methods, social cartography, and semi-structured interviews to assess environmental and socio-economic impacts of urban interventions in Special Social Interest Zones (ZEIS, Fortaleza). Designed community participation plans by engaging directly with vulnerable populations and local management councils.

Document Analysis: Extensive experience in qualitative policy document analysis for the Observatory of Sustainable Municipal Public Policies (Jean Monnet Centre of Excellence, UFMG), evaluating governmental reports and regional regulations.

Monitoring & Evaluation (M&E): Expertise in monitoring and evaluating public policy indicators based on strategic governmental planning (PPA). Tracked qualitative and quantitative institutional deliveries aligned with the UN Sustainable Development Goals (Ceará School of Public Health).

research projects

Global Europe Lab. Researcher. Bundeskanzler Helmut Schmidt Stiftung, 2025-2027. Actively collaborating within an international interdisciplinary network to foster EU-Global South policy dialogues.

Observatory of Sustainable Municipal Public Policies. Researcher. UFMG, 2024-Present. Working in a multidisciplinary team to monitor and report on SDG-aligned public policies.

Climate Justice Think Lab. Researcher. Joachim Herz Doctoral School of Law, 2024–2026. Engaged in a global academic network of doctoral researchers (from the Americas, Africa, Asia, and Europe) to analyze North-South climate justice dynamics, culminating in the co-authorship of a collective scientific publication.

Jean Monnet Chair - Climate Strategies for a Just and Equitable Energy Transition in the Brazil-EU Relations. Researcher. Federal University of Ceará, 2024-2026. Developing collaborative research in a cross-border academic network focused on equitable energy transitions.

Climate Strategies for a Just and Inclusive Energy Transition: Dialogue between Brazil and France in the Context of the European Green Deal. Researcher. Federal University of Ceará, 2024–Present.

Jean Monnet Module: Global Governance on Cross-Border Pollution: The European Green Deal and its Influence in Brazil. Researcher. Federal University of Ceará, 2020–2023.
